VENTURES // LEADERSHIP

Ultimate Digital Solutions Pvt. Ltd. (UDS)

Co-founder & CEO / Managing Director

- Built and scaled UDS into a multi-service company across IT support, system integration, data centre O&M, POS deployment, field manpower, e-governance, electrical, and digital transformation.
- Achieved the ₹10 crore (₹100 million) turnover milestone in the early growth phase.
- Led pan-India service delivery across multiple Indian states, managing field teams, vendors, and large-scale deployment projects including government-linked digitization work involving thousands of resources.

Goldenframe Talkies Pvt. Ltd. **Director**

- Film, media, and creative production reflecting involvement in theatre, storytelling, performance, and visual creativity.

Project Paco Foundation **Chairman**

- Social impact NGO focused on environmental awareness, peace, sustainability, and community-oriented initiatives.

Aaocab **Co-founder & Director**

- Human-assisted outstation cab service with phone/WhatsApp-based booking for families, patients, senior citizens, and non-app users. Pan-India travel service vision; vendor and driver onboarding; booking, invoicing, and service coordination.
